

What a GREAT day - Saturday April 8, 2017 was for the first “Team Up to Clean Up” Event, held at the Tehama County Animal Care Center at 1830 Walnut Street, Red Bluff, Ca 96080 and sponsored by P.E.T.S.

All of us at P.E.T.S. would like to give a HUGE THANK YOU to all the wonderful people, organizations, government agencies, and businesses whose collective efforts made the event the success!!! With the amazing support and work of everyone involved, the Tehama County Animal Care Center received some much needed sprucing up!

For those who were not directly involved, the following briefly outlines what was accomplished that day. The quantity of materials and supplies received went well beyond what we wished for, due to the amazing generosity of local businesses and numerous other individual donors. There was ample fresh bark to spread throughout all three play-yards, thus ensuring that dogs and guests could have pleasant places to enjoy and in which to become acquainted. A cleaner, fresher look to the shelter was achieved because cobblestones and crushed gravel were moved onto the remaining grounds. In order to prevent the dogs from tunneling and escaping while in the yards, placement of cement slabs underneath the chain-link fence occurred. To assist in decreasing kennel stress, privacy slats were inserted in the fencing. To present a more welcoming appearance to the public, low maintenance shrubs and perennials were planted and drip systems with automatic timers installed to allow for ease of upkeep. The only unfortunate occurrence, due to the weather, was that the planned painting was postponed to a future time.
