

Howling success

Nu-Way Paw Prints fundraiser for P.E.T.S. "Providing Essentials for Tehama Shelter" was a "Howling success" for the 4th year in a row!

During the month of July, Paw Prints are sold by Nu-Way checkers. As a bit of incentive, P.E.T.S. provides a gift basket to the checker selling the most Paw Prints. This year's winner is Breanna Hope-Winning. We also thank Esmeralda Farias as runner up. Everyone at the market works hard to assist the homeless animals of Tehama County and the Tehama County Animal Care Center. With their tremendous support in doing this fundraiser, many animals ultimately benefit from the monies raised which P.E.T.S. utilizes in various programs.

We also wish to thank Bo and Bill Patchen for making this event possible. Last but not least. Our hearts go out in appreciation to the customers from Los Molinos and surrounding areas that shop at Nu-Way and supported P.E.T.S efforts.

Nu-Way is located at 8049 State Route 99E, Los Molinos, CA and is a fully stocked family run market with deli food, butchers, the freshest vegetables and the best service anywhere.

At the kickoff of this event, P.E.T.S. held a meet and greet in front of the store. A gift basket was raffled off and information between all was exchanged. A few of the newer P.E.T.S. programs were shared, such as: "Please Don't Litter" a Spay and Neuter voucher program made possible by the Diane McCorkle Endowment Fund; and "SENIORS ROCK" and the "Love is Special" adoption programs at the Tehama County Animal Care Center.

P.E.T.S. is an all-volunteer non-profit organization dedicated to improving the welfare and creating public awareness of the abandoned, neglected and abused animals in Tehama County. It is committed to assisting the Tehama County Animal Care Center in completing its mission of practicing and promoting responsible compassionate care to all animals, both in its care and in the community.

For more information or to volunteer, call 530-527-8702 or visit www.petstehama.org.

THANK YOU
