

First, we thank you for your interest! Volunteers are the backbone of both the Tehama County Animal Care Center and our organization, P.E.T.S. and are extremely vital to everyone's success. There are numerous ways in which people can get involved and no effort is too minor. All of us will work with you to find the best fit for your interests and talents.

All Volunteers, who wish to handle animals, are required to fill out a Volunteer application form for the Tehama County Animal Care Center (TCACC), which is on our volunteerism page. Once the form is completed, folks are required to attend a Volunteer Orientation class. The classes are held every Tuesday at 3:30 at the center. Typically a PETS representative is the person who will be giving the orientation. If you wish to attend, please notify us via email and bring with you the form required.

In addition the following is some additional information... the P.E.T.S. organization, is the all-volunteer support arm of the shelter and fulfills many needs that the shelter may not have the resources for. We do not have a physical building, so the majority of our work is done either out of our homes or at TCACC. Most communication with us is done via computer, email, phone, etc. However, we do have the ability to hold group meetings, when necessary. In fact, if you are interested in learning more about our organization and what we do, we would love it if you could attend any of our monthly meetings. They are held at Rabo Bank, 500 Luther Road, Red Bluff, the third Tuesday of every month at 6:00 pm.

Just as some background, P.E.T.S. is a non-profit 501 (c) 3 dedicated to improving the welfare and creating public awareness of all the abandoned, neglected and abused animals in Tehama County. In addition, we are strongly committed to assist TCACC in completing their mission of practicing and promoting responsible compassionate care to all animals, both in their care and in the community. We receive no federal or local funding and all of our operating costs come from donations or fundraising efforts. P.E.T.S. is 100% run by dedicated volunteers to ensure all monies raised can directly influence the health and well-being of as many homeless animals as we possibly can.

Our Facebook page is : <https://www.facebook.com/PETSTehama> ... which will give you a broad sense of what we do. In addition, we transport animals for TCACC and are always looking for people interested in assisting.

If you have any questions with regard to P.E.T.S., please do not hesitate to contact us at either petstehama@gmail.com. We will be happy to assist you in any way possible. Thank you for your interest! We look forward to working with you to make life brighter for the many homeless animals we serve!
