By signing the above, I attest that I have read, understand and agree to abide by the following rules and regulations for the loan and use of a P.E.T.S. humane, live-capture animal trap/crate.

Please initial to demonstrate your understanding and agreement to each of the following provisions:

- I am over the age of 18 and live in Tehama County.
- I have been shown how to correctly set and bait the trap/use the crate.
- I will use this trap only for capturing FERAL cats in my neighborhood. Pets, wildlife or other animals captured by the trap are to be immediately released in the same location where they were caught.
- I will place the trap/crate in a location where an animal inside will never be in direct sunlight or exposed to inclement or severe weather conditions.
- I will slightly elevate the trap to prevent catching a skunk. If a skunk is caught I will immediately release it on my own premises.
- I will monitor all traps/crates on a timely basis to prevent endangering the health or life of any animal captured within.
- I will transport all trapped cats to a prearranged veterinarian

appointment as soon as possible upon capture, to prevent stress or injury to the animal.

If I cannot transport the cat to the veterinarian in a timely manner I will release the animal or care for it in a safe crate.

If the trap/crate is not returned clean and in good condition in the time allotted, I agree to surrender the deposit.

I understand animal trapping and the use of animal traps/crates have inherent risks such as injury or death from animal scratches or bites or injury or death from the use of the trap. I agree that P.E.T.S. will not be liable for any consequential, indirect, exemplary, special or incidental damages arising from or relating to this agreement or my use of the traps or crates.
