The 2020 Nu-Way PawPrints fundraiser for PETS, or Providing Essentials for Tehama Shelter, is complete for the fifth year running.

More PawPrints and donations were garnered this year than in any past year. The support of Nu-Way and the all-important checkers was phenomenal. Every checker contributed to this great success. The organization thanks the people of Los Molinos who shopped at Nu-Way.

Patricia Wesley was the checker who sold the most PawPrints with last year's winner Bre Hope-Winning coming in second. They each won a big basket of goodies from PETS for their efforts. The other important contributors are Margret, Bernice, Micah, Marci and Laura.

PETS' support of the Tehama County Animal Care Center is what drives each fundraiser.

Each year PETS hangs a sign prominently in the store to alert the public of goings on at the shelter. This year it highlighted last year's numbers: 653 animals were adopted out of the shelter; 548 animals were rescued to other shelters and 548 animals were returned to their owner. This and more information can be found on the center's brand

new website with lots of great information, <http://www.co.tehama.ca.us/animal-services>.

PETS is an all-volunteer nonprofit dedicated to completing its mission of practicing and promoting responsible compassionate care to all animals, both in the center's care and in the community. The homeless animals of Tehama County and the Animal Care Center benefit from the money PETS distributes through various programs.

With fundraisers like this one, the group will be able to supply the animals of the shelter with medicines, adoption assistance, transport, enrichment along with education opportunities and spay and neuter vouchers and emergency food.

For more information or to volunteer, call 527-8702 or visit www.petstehama.org.
