

HELP The Cold Noses

Our budget constraints make it challenging to provide what we want to do. Funds from General Donations will be put where they are most needed. In areas such as animal adoption, animal enrichment, transportation, and public education with hopes to achieve the overall goal of no more homeless animals.

Going The Extra Mile

Many animals come into the Tehama County Animal Care Center with extraordinary needs. Your contribution can help us *Go The Extra Mile* for these very special animals. This fund allows us to assist animals who have the potential to become healthy and adoptable if given additional medical, foster or other care.
